Reading Modern World History textbook by Holt McDougal is infuriating. First, Muhammed is mentioned as marrying a forty year old at age 25, but never mentions him marrying a five year old later, nor does it mention his other wives. Then, it speaks as if Islam was 100% tolerant and considerate of Christianity.

World history looks for common patterns that emerge across all cultures. World historians use a thematic approach, with two major focal points: integration (how processes of world history have drawn people of the world together) and difference (how patterns of world history reveal the diversity of the human experiences).
