java - JDBC ODBC Driver Connection - Stack Overflow

The problem: Excel does not want to recognize dates as dates, even though through "Format cells - Number - Custom" you are explicitly trying to tell it these are dates by "mm/dd/yyyy". As you know; when excel has recognized something as a date, it further stores this as a number - such as "41004" but displays as date according to format you specify.. To add to confusion excel may convert only ...
