Asking and answering questions with a peer is much more engaging than filling out a worksheet...that is for sure!! So, instead of giving students a list of comprehension questions to answer silently after reading, have students generate a few questions about a text and then work with a partner to talk about the answers.

If Free Willy hit you a bit harder than your friends, and learning about poor fishing habits brought you to boycott your mom's tuna sandwiches until she agreed to buy net-free caught tuna, your heart is in the right place for marine biology. Marine biologists take on the enormous task of studying all life in the sea, which holds many of the remaining mysteries on this planet.
