Gerontological nursing is the specialty of nursing pertaining to older adults. Gerontological nurses work in collaboration with older adults, their families, and communities to support healthy aging, maximum functioning, and quality of life. The term gerontological nursing, which replaced the term geriatric nursing in the 1970s, is seen as being more consistent with the specialty's broader ...

Course Description. Online Pain Management CEU. 6 contact hour pain management continuing education course covers understanding the experience of pain, providing appropriate assessment, ethical interventions for pain, and opioid misuse, abuse and diversion. Applicable for nursing, case management, occupational therapy, physical therapy, and advanced paramedics.

### **Pain Management CEU | Online Continuing Education Course**

Pain is a distressing feeling often caused by intense or damaging stimuli. The International Association for the Study of Pain's widely used definition defines pain as "an unpleasant sensory and emotional experience associated with actual or potential tissue damage, or described in terms of such damage"; however, due to it being a complex, subjective phenomenon, defining pain has been a challenge.
