CCHI invited Maria Carla Faccini, CHI™-Spanish, and Dr. Adrienne D. Mishkin, MD, MOH, to present this free, language-neutral, Continuing Education webinar so that attendees can learn about the provider's thought process and some of the techniques they use to interview patients. The speakers discuss examples that show how a skilled interpreter can improve the quality of the interview.

Funding is the act of providing financial resources, usually in the form of money, or other values such as effort or time, to finance a need, program, and project, usually by an organization or company. Generally, this word is used when a firm uses its internal reserves to satisfy its necessity for cash, while the term financing is used when the firm acquires capital from external sources.
