An Introduction to Chemistry. Begin learning about matter and building blocks of life with these study guides, lab experiments, and example problems.

An Introduction to Chemistry - ThoughtCo

Credits: 1. Prerequisite: Middle school biology and chemistry. Recommended: 9th or 10th Test Prep: CLEP Biology This course covers the basic material for this exam, but this is considered a very hard test, and I would suspect more will need to be studied to learn everything required for this huge exam. It's worth the same as two college courses which is why it covers so much.
