The early modern period of modern history follows the late Middle Ages of the post-classical era. Although the chronological limits of the period are open to debate, the timeframe spans the period after the late portion of the post-classical age (c. 1500), known as the Middle Ages, through the beginning of the Age of Revolutions (c. 1800) and is variously demarcated by historians as beginning ...

10 A Premeditated Massacre. Mass shootings frequently occur during moments of hot temper. The Waco biker shootout of 2015, which killed nine people and injured 18, started over a parking dispute. However, when most of us think of mass shootings as a phenomenon, we picture premeditated affairs, like Columbine and Aurora.

Modern philosophy is philosophy developed in the modern era and associated with modernity. It is not a specific doctrine or school (and thus should not be confused with Modernism), although there

are certain assumptions common to much of it, which helps to distinguish it from earlier philosophy.
