It is a responsibility we are failing to meet. According to statistics from the U.S. Department of Education, the gap in eighth-grade reading and math test scores between low-income students and their wealthier peers hasn't shrunk at all over the past 20 years. (The gap between poor and wealthier fourth-grade students narrowed during those two decades, but only by a tiny amount.)

Helping Children Succeed - What Works and Why

Every school has its pros and cons. However, when I started with SNHU, the degree evaluation/course requirements were fair. Recently, according to their "department heads and program directors", accreditation standards changed and required SNHU to change the course requirements for degrees.
