### **Multinational Business Finance Answer**

1. Multinational Corporations: Definition of MNC: Multinational firms arise because capital is much more mobile than labor. Since cheap labor and raw material inputs are located in other countries, multinational firms establish subsidiaries there.

### **Multinational Corporations - Economics**

The answer to the question "is the future of finance new technology or new people?" is, of course, neither one nor other, but both. In the finance function of the future, leading CFOs will be those that strike the right balance between technology and people, and continually work to focus each on the tasks that best suit their skill sets.

### **DNA of the CFO: Is the future of finance new technology or ...**

Relocation services, employee relocation or workforce mobility include a range of internal business processes to transfer employees, their families, and/or entire departments of a business to a new location.
