Mentorship is a relationship in which a more experienced or more knowledgeable person helps to guide a less experienced or less knowledgeable person. The mentor may be older or younger than the person being mentored, but he or she must have a certain area of expertise. It is a learning and

development partnership between someone with vast experience and someone who wants to learn.

The culture of Canada embodies the artistic, culinary, literary, humour, musical, political and social elements that are representative of Canada and Canadians. Throughout Canada's history, its culture has been influenced by European culture and traditions, especially British and French, and by its own indigenous cultures. Over time, elements of the cultures of Canada's immigrant populations ...
