World history or Global history (not to be confused with diplomatic, transnational or international history) is a field of historical study that emerged as a distinct academic field in the 1980s. It examines history from a global perspective. It is not to be confused with comparative history, which, like world history, deals with the history of multiple cultures and nations, but does not do so ...

Chinese art traditions are the oldest continuous art traditions in the world. Early so-called "stone age art" in China, consisting mostly of simple pottery and sculptures, dates back to 10,000 B.C.E.. This early period was followed by a series of dynasties, most of which lasted several hundred years. Through dynastic changes, political collapses, Mongol and Manchurian invasions, wars, and ...
