Brickwork is masonry produced by a bricklayer, using bricks and mortar. Typically, rows of bricks—called courses— are laid on top of one another to build up a structure such as a brick wall.. Bricks may be differentiated from blocks by size. For example, in the UK a brick is defined as a unit having dimensions less than 337.5x225x112.5mm and a block is defined as a unit having one or more ...

These are general ESOL courses which focus on the language skills of reading, writing, listening and speaking. Grammar, vocabulary and cultural issues are also a very important part of these courses and students will be able to develop these areas and this will help to increase confidence when communicating with English speakers in different situations.
