Yellowstone's best photography opportunities often happen during its quietest season, when wildlife is more plentiful than people. Yellowstone and Grand Teton national parks contain the largest concentration of free-roaming wildlife in the Lower 48—a nature photographer's grail—and winter is the best season to capture striking images of animals against the frozen white backdrop.

5. Create a solid sense of self. This may be unconventional, but I believe that possessing a weak sense of self can be the cause and result of feeling empty. When we lack a stable ego, we float through life being tossed here and there with no sense of solidity or wholeness. It is absolutely imperative that we all have a stable ego as without it, we simply cannot operate in this world effectively.
