The Emory Pre-College Program offers a diverse selection of two-week non-credit courses in a variety of disciplines. Students will experience college-level academics in a small class setting with some of Emory's leading experts in their respective fields and will receive written feedback on their work at the end of the course.

Two-Week Noncredit Courses

Microbiology can appear daunting when you don't know what to focus on. Fortunately, microbiology questions tested on the ASCP exam focus on diagnosis. In a real laboratory, the organism would arrive in some media. You would ask yourself, "I wonder what this organism is?" You would then culture and gram stain, or perform some other tests to figure out what you're dealing with.
