Math.com - World of Math Online

Talking about their work At NRICH we often say you can't do maths unless you talk maths. But the quality of the talk is important. It is not simply children sharing how they did a particular calculation, but describing why and how it worked, and how their method is the same or different to those of others.

"Math illiteracy is okay, yet let someone pronounce or misspell a word and noses are tooted in the air..." @POWERORGMATH. Innumeracy at the sales. One of my favourite times of year is sales time! Of course I love grabbing a great bargain, but the arithmetician within me loves working out the sale prices and trying to find that elusive item that is actually 70% off.
