Many interesting topics were not included in "Physics for Architects", because of their low relevancy to architecture. Here are two of them: (No prior knowledge of physics or sailing is required.)

Sailing Against The Wind - Physics For Architects

Countless math books are published each year, however only a tiny percentage of these titles are destined to become the kind of classics that are loved the world over by students and mathematicians. Within this page, you'll find an extensive list of math books that have sincerely earned the reputation that precedes them. For many of the most important branches of mathematics, we've ...

All The Math Books You'll Ever Need | Math ∞ Blog

Grero: The Masculine Alternative to Gay and Straight. Once upon a time, there was a world where the love between men wasn't merely tolerated but understood as an attribute and requirement of masculinity.

Grero: The Masculine Alternative to Gay and Straight

It is a responsibility we are failing to meet. According to statistics from the U.S. Department of Education, the gap in eighth-grade reading and math test scores between low-income students and their wealthier peers hasn't shrunk at all over the past 20 years. (The gap between poor and wealthier fourth-grade students narrowed during those two decades, but only by a tiny amount.)

Helping Children Succeed - What Works and Why
