Medical Coding Hcc Interview Questions

I recently had my first medical coding interview. This was arranged through a recruiting agency. The company is pursuing other candidates and they gave the recruiter feedback, but they said the interview went well and didn't specify how I can become more eligible for coding opportunities in the future.

Coding Interview Questions | Medical Billing and Coding ...

Medical coding is the translation or transformation of healthcare diagnosis, procedures, medical services, and equipment into medical numeric or alphanumeric codes. The diagnoses and procedure codes are taken from medical record documentation, such as transcription of physician's notes, laboratory and radiologic results, etc.
