Emphasis. The Chemistry Program permits the student to fulfill the lower division chemistry for transfer programs to four-year institutions as well as to acquire the necessary skills for employment in Chemistry.

Chemistry Program - San Diego Mesa College

Science in a broad sense existed before the modern era and in many historical civilizations. Modern science is distinct in its approach and successful in its results, so it now defines what science is in the strictest sense of the term. Science in its original sense was a word for a type of knowledge, rather than a specialized word for the pursuit of such knowledge. In particular, it was the ...
