The Teaching the Metric System Packet is available here. Click here to see the Table of Contents. This Packet contains over 100 pages of ready-to-run materials covering the Metric System, Metric Conversion, and Measurement Proficiency.

Teaching the Metric System

When we measure anything, we do it in human-defined 'units'. Different units were defined in different places and for different scales. The two most common are U.S. customary units and metric units. Let's think about how to convert between and among them! We'll also continue thinking about perimeter and area!

Measurement and data | 4th grade | Math | Khan Academy
