We take breathing for granted; it's there all the time. Even when we're not paying attention at all, it's there supporting us. It is one of the few physiological functions that is both involuntary and voluntary -- we can alter it when we choose to. There are many practices and religions that use breath control as a practice.

The Two Ways to Hunt for a Job. We begin with good news: there are two ways you can go about the job-hunt. Most often we're only told about one of them, namely the way that everybody goes about the job-hunt, instinctively, because that's the way you do it, and that's how it's always been.. We'll call this The Traditional Way. Most of us know how to do this, or can quickly learn.
