Lies My Teacher Told Me: Everything Your American History Textbook Got Wrong is a 1995 book by James W. Loewen, a sociologist. It critically examines twelve popular American high school history textbooks and concludes that the textbook authors propagate false, Eurocentric and mythologized views of American history. In addition to his critique of the dominant historical themes presented in high ...

Hustle & Flow: Classroom Style The words hustle and flow describe one basic word to me: activity. I want my classroom to be full of activity. Productive activity. You may not agree with some of the things I'm writing, but remember, I'm suggesting these for the long-term effect they will have on the student culture and classroom atmosphere. The following are some ways to keep the hustle and ...

Without spot-on classroom management, dealing with unruly students can be maddening. It's easy to lose your cool. And when you do, when you yell, scold, and wag your finger, you're often rewarded with immediate improvement. A thorough dressing-down can stop misbehavior in its tracks. But the price is exorbitantly high. Yelling is a costly mistake. ...
