Modern American History Edition Answers

The history of American football can be traced to early versions of rugby football and association football. Both games have their origin in varieties of football played in Britain in the mid-19th century, in which a football is kicked at a goal or kicked over a line, which in turn were based on the varieties of English public school football games. ...

HISTORY Some historians consider ancient Africa the cradle of human civilization. In Before the Mayflower, Lerone Bennett, Jr., contended that "the African ancestors of American Blacks were among the major benefactors of the human race. Such evidence as survives clearly shows that Africans were on the scene and acting when the human drama opened."

The Beginning of Modern Science. I expect a terrible rebuke from one of my adversaries, and I can almost hear him shouting in my ears that it is one thing to deal with matters physically and quite another to do so mathematically, and that geometers should stick to their fantasies, and not get involved in philosophical matters where the conclusions are different from those in mathematics.

Beginning of Modern Science & Modern Philosophy

The primary source of information about books on railway history is George Ottley's monumental bibliography, with its two supplements (no serious public library can claim to be that if Ottley is not available). Jack Simmons' overall evaluative surveys of the literature (both in his own books and in the Oxford Companion - Ottley is mainly non-evaluative) are also useful, but Simmons was less ...
