You can start "Character map", choose your font, search you character and at the bottom (in the status bar) is the Alt code you need. (In Windows 7 you can press Start and begin type Character map and choose it at the top.). The fact that you get a different character with Alt + 227 is probably that you're using a different font. So choosing the right font in "Character map" is important.

Biomimetics or biomimicry is the imitation of the models, systems, and elements of nature for the purpose of solving complex human problems. The terms "biomimetics" and "biomimicry" derive from Ancient Greek: βίος (bios), life, and μίμησις (), imitation, from μιμεῖσθαι (mīmeisthai), to imitate, from μῖμος (mimos), actor. A closely related field is bionics.

The rocker Jig It concealed hinge jig worked great with the blum concealed hinges. I agree with some of the other reviews that the jig instructions were somewhat vague, especially if you have never done this before, but, I took my time, did some research , watched a few you tube videos, and then proceeded to install the hinges.
