I absolutely love a pile-up activity and over the years on Tes Maths we have seen some great ones. Pile-ups are great because they look different to a sheet of practice questions, and thus students are perhaps more likely to engage and put the required effort in to solve the, and yet to solve them ...

Art Benjamin (2010-05-29) Casting out nines Figure out the missing digit in a large product of two integers. Effect: The magician hands out a 3 or 4-digit integer chosen by a spectator in a previous part of the show. Using a pocket calculator, another spectator multiplies that number by some secret 3-digit number which he chooses freely and keeps for himself.
