We're now posting original research! Yes, as of late November we are hosting our own original study titled An Examination of the Effect of Prior Experience, Age, and Gender in Non-Food Blending Predictions. Though this title sounds pretty scientific, it just refers to an experiment I did with putting rubber balls in a blender to see...

Weight points down ( $270^\circ$ ) and  $T_1$  points to the left ( $180^\circ$ ). These are both good vectors — good in the sense that they are easy to deal with.  $T_1$  is the troublemaker. Break it up into components and state the conditions for equilibrium in the vertical and horizontal directions.

For implementation and subsequent operation of Delhi MRTS, a company under the name DELHI METRO RAIL CORPORATION was registered on 03-05-95 under the Companies Act, 1956. DMRC has equal equity participation from GOI and GNCTD.

### **Delhi Metro Rail Corporation Ltd. | ABOUT US**

"While Communism is on the far left, Nazism is considered to be far right." I disagree with this statement. On a line, in my opinion, the far left is total government a true "nanny state", full of and totally controlled by laws, whereby the self governing responsibility of the people is abrogated and even disregarded.

### **Difference Between Communism and Nazism**

Produced water is the largest waste stream generated in oil and gas industries. It is a mixture of different organic and inorganic compounds. Due to the increasing volume of waste all over the world in the current decade, the outcome and effect of discharging produced water on the environment has lately become a significant issue of environmental concern.
