Congratulations Bob Olson. Your book: ANSWERS ABOUT THE AFTERLIFE is perhaps one of the most in-depth and comprehensive guides I have ever read on the subject of life after death. I would call it the encyclopedia of the afterlife. This should be required reading for every soul who has ever pondered their heavenly heritage.

Answers About the Afterlife by Bob Olson

Beyond the Standard Model. The Standard Model answers many of the questions about the structure and stability of matter with its six types of quarks, six types of leptons, and four forces.

Listversers love mysteries, but while it seems that we have already covered tons of them, there are always more out there to discover. This time around we have focused on the mysteries of science, that have baffled researchers and left them wondering if current science is unable to grasp them, or even if perhaps there is a higher power at play.

10 Unsolved Mysteries of Science - Listverse

I'm going to tell you the weirdest and, yet, most obviously true thing you've ever heard: You're not a person. This is going to sound like some real Rust Cohle s**t, but bear with me because deep down you already know all of this.. For instance, you already know that you are, to a certain degree, a product of your genes -- they go a long way toward determining if you would be physically ...

This website reveals the monumental work of Greg Biltz entitled "An Early Christian's Perspective on the Mysteries of the Rosary". His work not only explores how the various Mysteries of the Rosary have a deep foundation in Scripture, but he also gives us a sense of how an early Jewish-Christian would have viewed the Mysteries of the Rosary.

The Mysteries of the Rosary

As amazing and breathtaking as the world's oceans may be, they're even more mysterious and sometimes cling unyieldingly to their secrets and mysteries. There are some parts of the ocean that no person has ever even been able to visit, and it's in these parts that some of Earth's unsolved ...

10 Unsolved Sea Mysteries - Listverse

Mithraism, also known as the Mithraic mysteries, was a mystery religion centered on the god Mithras that was practiced in the Roman Empire from about the 1st to the 4th century CE. The religion was inspired by Iranian worship of the god Mithra, though the Greek Mithras was linked to a new and distinctive imagery, and the level of continuity between Persian and Greco-Roman practice is debated.
