Credits: 1. Prerequisite: Middle school biology and chemistry. Recommended: 9th or 10th Test Prep: CLEP Biology This course covers the basic material for this exam, but this is considered a very hard test, and I would suspect more will need to be studied to learn everything required for this huge exam. It's worth the same as two college courses which is why it covers so much.

Biology with Lab - Easy Peasy All-in-One High School

The Internet of Things (IoT) promises to help businesses cut costs and create new revenue streams, but it also brings an unsettling amount of risk. No one wants a fridge that gets shut down by ransomware, a toy that spies on children, or a production line that's brought to a halt through an entry point in a single hacked sensor.

Azure Sphere ecosystem accelerates innovation | Blog ...

A strategy answers two questions: Where are we going? and How will we get there?. A lot of people have answers for the first question. Almost no one has answers for the second. That's why I have devoted much of the last twenty years rethinking how strategy gets done.
