Anxiety about the degree of pain and length of recovery can make a person reluctant to undergo wisdom tooth extraction. Depending on your comfort level and how impacted your teeth are, a dentist or oral surgeon will administer either a local anesthetic or a general anesthetic. Local anesthetic numbs the mouth area, but you'll be awake during the procedure.

Under California law, you pay child support until the child turns 18, or 19 if the child is unmarried and still attending high school full time. Under special circumstances, the court may order child support to continue after the child is an adult. If past-due support (called arrears) is still owed, the local child support agency may continue to enforce collection until the balance including ...
