Conflict is a natural process necessary for group development and team building. Conflict occurs most often when there is a difference in values, attitudes, and behaviors of diverse groups. What is important for leaders to remember is not whether conflict will occur, but what will happen in response to that conflict.

I am wondering what, from the point of view of the Catholic Church, is the goal of dialogue with atheists. "Orthodox" Catholics consider themselves not only to know that God exists. They also consider themselves to have an infallible source of certain truths that they claim cannot possibly be mistaken.
