Avoid Duplicating Entries. Sage 50cloud Direct Payments is seamlessly integrated within Sage 50cloud Accounting—so the time you've invested entering figures into your accounting software is not wasted by having to re-enter the same numbers to separately pay vendors and employees or to receive payment from customers.

Sage 50cloud Accounting Add-ons | Payroll Software ...

An accounting as an information system (AIS) is a system of collecting, storing and processing financial and accounting data that are used by decision makers. An accounting information system is generally a computer-based method for tracking accounting activity in conjunction with information technology resources.

Accounting information system - Wikipedia

Mobile banking is a service provided by a bank or other financial institution that allows its customers to conduct financial transactions remotely using a mobile device such as a smartphone or tablet. Unlike the related internet banking it uses software, usually called an app, provided by the financial institution for the purpose. Mobile banking is usually available on a 24-hour basis.
