How do you make a quiz like this where you select one answer from a list of answers and if you get it wrong then you get that answer wrong? So if I want to make a quiz where you choose whether or not each thing listed is a fruit or a vegetable, how would I make it so you can't just type "fruit" and then "vegetable" for every question?

Voltaire was a versatile and prolific writer. In his lifetime he published numerous works, including books, plays, poems, and polemics. His most famous works included the fictitious *Lettres philosophiques* (1734) and the satirical novel *Candide* (1759). The former—a series of essays on English government and society—was a landmark in the history of thought.
