Module 4: Historical Perspectives on Development and Under-development. Why are some communities more or less developed than others? While this may seem like a fundamental question that must have some fundamentally clear answer, it is a subject that has been tossed around and hypothesized about by many individuals involved in development work.

Module 4: Historical Perspectives on Development and Under ...

The Start menu was introduced in Windows 95 and Windows NT 4.0, but had been worked on at Microsoft since 1992, originally being labelled as "System" to testers of the time. It was made to overcome the shortcomings of Program Manager in previous operating systems. Program Manager consisted of a simple multiple document interface (MDI) which allowed users to open separate "program groups" and ...
