One of the best TV shows about physics is now on YouTube! Caltech recently announced the release on YouTube of the excellent educational TV show The Mechanical Universe, which gives an accessible but still formal approach to physics and physics history.. The show pioneered the use of technical 3D animations as a way to explain complex math and physics concepts in an accessible way.

XtraMath ® helps students transition from counting or calculating the basic math facts to recalling them. Quickly recalling math facts, instead of calculating them, frees up mental resources for higher-level operations. XtraMath's timed activities encourage students to answer questions as quickly as possible.
