Cannabis Breeding and Genetics. by Robert Connell Clarke. Genetics. Although it is possible to breed Cannabis with limited success without any knowledge of the laws of inheritance, the full potential of diligent breeding, and the line of action most likely to lead to success, is realized by breeders who have mastered a working knowledge of genetics.

Marijuana Botany - Cannabis Breeding and Genetics

The connection between race and intelligence has been a subject of debate in both popular science and academic research since the inception of IQ testing in the early 20th century. There remains some debate as to whether and to what extent differences in intelligence test scores reflect environmental factors as opposed to genetic ones, as well as to the definitions of what "race" and ...

Race and intelligence - Wikipedia

Hemophilia B is classically transmitted as an X-linked recessive disorder. Cutler et al. (2004) described a family in which the usual pattern of X-linked inheritance of hemophilia B was complicated by mosaicism in the proband's maternal grandfather. The proband was a male infant with severe factor IX deficiency who was initially thought to be a sporadic case.

OMIM Entry - # 306900 - HEMOPHILIA B; HEMB

An intelligence quotient (IQ) is a total score derived from several standardized tests designed to assess human intelligence. The abbreviation "IQ" was coined by the psychologist William Stern for the German term Intelligenzquotient, his term for a scoring method for intelligence tests at University of Breslau he advocated in a 1912 book. Historically, IQ is a score obtained by dividing a ...
