Henry George (September 2, 1839 – October 29, 1897) was an American political economist and journalist. His writing was immensely popular in the 19th century, and sparked several reform movements of the Progressive Era. His writings also inspired the economic philosophy known as Georgism, based on the belief that people should own the value they produce themselves, but that the economic value ...

This is the most impossible question I could have ever been asked. I have found so many works far better than any published book I've read. That said, I'm going to really narrow it down to works that have greatly impacted my personal writing style, interpretations of characters, etc. Ones that have truly changed me as a writer for the better. I want to list all of my favorites but I have ...
