Start studying ch 12 nervous system. Learn vocabulary, terms, and more with flashcards, games, and other study tools.

## **ch 12 nervous system Questions and Study Guide | Quizlet ...**

The nervous system has two main parts: The central nervous system is made up of the brain and spinal cord. The peripheral nervous system is made up of nerves that branch off from the spinal cord and extend to all parts of the body. The nervous system transmits signals between the brain and the rest of the body, including internal organs. In this way, the nervous system's activity controls ...
