A Modern Introduction to Probability and Statistics has numerous quick exercises to give direct feedback to the students. In addition the book contains over 350 exercises, half of which have answers, of which half have full solutions.

### **A Modern Introduction to Probability and Statistics ...**

A Modern Introduction to Probability and Statistics: Understanding Why and How. I worked my way through this book, doing many of the exercises, to get (re)aquainted with the subject. When you put in the work it goes a long way in explaining quite a large amount of both probability and statistics. Good book, but hard to follow sometimes.
