Answers in Genesis (AiG) is a fundamentalist Christian apologetics parachurch organization. It advocates Young Earth creationism on the basis of its literal, historical-grammatical interpretation of the Book of Genesis. Out of belief in biblical inerrancy, it rejects the results of those scientific investigations that contradict their view of the Genesis creation narrative and instead supports ...

During the history of its development and in the different contexts where it has been applied, participation has become loaded with ideological, social, political and methodological meaning, giving rise to a wide range of interpretations (Lawrence, 2006). Rather than viewing these as competing with each other, typologies have been developed to understand the differences between these ...

Perspectives:An Open Invitation to Cultural Anthropology

AbstractThe relationship between corporate social responsibility (CSR) and corporate financial performance (CFP) has been subject to extensive empirical enquiry. Yet the body of evidence that has accumulated about the nature of the relationship is equivocal. A commonly identified reason for the diverse and contradictory results is measurement issues pertaining to both concepts of interest.
