Mentorship is a relationship in which a more experienced or more knowledgeable person helps to guide a less experienced or less knowledgeable person. The mentor may be older or younger than the person being mentored, but he or she must have a certain area of expertise. It is a learning and development partnership between someone with vast experience and someone who wants to learn.

A gap year, also known as a sabbatical year, is typically a year-long break between high school and college/university. During the gap year a student normally travels or maintains some type of regular work. Students who take gap years typically undergo a growth in maturity and are better prepared to benefit from higher education or decide the form of education they wish to pursue.
