File definition: A file is a box or a folded piece of heavy paper or plastic in which letters or documents... | Meaning, pronunciation, translations and examples

File definition and meaning | Collins English Dictionary

New Horizons is the first mission in NASA's New Frontiers mission category, larger and more expensive than the Discovery missions but smaller than the Flagship Program. The cost of the mission (including spacecraft and instrument development, launch vehicle, mission operations, data analysis, and education/public outreach) is approximately $700 million over 15 years (2001–2016).

Single File Components Introduction. In many Vue projects, global components will be defined using Vue.component, followed by new Vue({ el: '#container' }) to target a container element in the body of every page.. This can work very well for small to medium-sized projects, where JavaScript is only used to enhance certain views.

Single File Components — Vue.js

You have probably encountered active recall testing in your school years without even realizing it. When good teachers give you a series of questions to answer after reading an article, or make you take weekly progress-check tests, they are not doing it simply to see if you understood the material or not.
