We often get questions on the difference between Microsoft Excel intermediate skills and Microsoft Excel beginner skills. Many of our students who think they have beginner Microsoft Excel skills have intermediate level Microsoft Excel skills and vice versa. There is this ongoing debate on what constitutes intermediate level Excel skills and what constitutes beginner level Excel skills.

Microsoft Excel Intermediate vs. Microsoft Excel Beginner ...

My only knock on the little i have seen so far is the recommendation to use the Insert Function on the formulas tab to build the formulas. This is just my opinion but i believe this is a bad habit to get into as it takes longer to build formulas this way and you are limited as to what you can put in, especially when nesting formulas.
