A state is a political organization with a centralized government that exerts authority within a certain geographical territory. There is not single, undisputed, definition of what constitutes a state. A widely-used definition is a state being a polity that, within a given territory, maintains a monopoly on the use of force.. Some states are sovereign, while other states are subject to ...

Lulu Hardcover (v1.00): this may be the best printed form of the book (it really looks pretty good), but it is also the most expensive way to obtain the black book of operating systems (a.k.a. the comet book or the asteroid book according to students). Now just: $38.00 Lulu Softcover (v1.00): this way is pretty great too, if you like to read printed material but want to save a few bucks.
